What Famous Fathers Would Say

Christopher Columbus' Father: I don't care what you've discovered, Christopher. You could have written.

Michelangelo's Father: Mike, can't you paint on walls like other children? Do you have any idea how hard it is to get that stuff off the ceiling?

Napoleon's Father: All right, Napoleon. If you aren't hiding your report card inside your jacket, then take your hand out of there and prove it.

Goldilocks' Father: I've got a bill here for a broken chair from the Bear family. Do you know anything about this Goldie?

Albert Einstein's Father: But, Albert, it's your senior picture. Can't you do something about your hair? Styling gel, mousse, something...?

Thomas Edison's Father: Of course I'm proud that you invented the electric light bulb, Thomas. Now turn off that light and get to bed!

Humpty Dumpty's Father: Humpty, If I've told you once, I've told you a hundred times not to sit on that wall. But would you listen to me? No!

We're growing because people like you refer us to your family and friends. THANK YOU, Adam Shick We appreciate your support & can't wait to serve you again!

Philip is passing a country estate and sees a sign on the gate. It reads: "Please ring bell for the caretaker."

He rings the bell and an old man appears.

'Are you the caretaker?' Philip asks.

'Yes, I am,' replies the old man. 'What do you want?'

'I'd just like to know why you can't ring the bell yourself.'

Thank You!

Pete and Harry were talking one day. "My wife asked me to buy ORGANIC vegetables from the market garden," said Pete.

"So were you able to find some?" Harry asked.

"Well when I got to the market, I asked the gardener, 'These vegetables are for my wife. Have they been sprayed with any poisonous chemicals?'"

"The gardener answered: 'No, you'll have to do that yourself.'"

"I have found the best way to give advice to your children is to find out what they want and then advise them to do it."

—Harry S. Truman

Four expectant fathers were in a Minneapolis hospital waiting room, while their wives were in labor. The nurse tells the first man, "Congratulations! You're the father of twins!"

"What a coincidence! I work for the Minnesota Twins baseball team!"

The nurse returns and tells the second man, "You are the father of triplets!"

"Wow, what a coincidence! I work for 3M Corporation!"

The nurse then tells the third man that his wife has given birth to quadruplets.

"Another coincidence! I work for the Four Seasons Hotel!"

At this point, the fourth guy faints. When he comes to, the others ask what's wrong.

"What's wrong?! I work for Seven-Up!"
