Rhonda felt like her body had gotten totally out of shape, So she got her doctor's permission to join a fitness club and start exercising. She decided to take an aerobics class for seniors. She bent, twisted, gyrated, jumped up and down, and perspired for an hour. But, by the time she got her leotard on, the class was over.

An older couple had just learned how to send text messages on their mobile phones. The wife was a romantic type and the husband was more of a no-nonsense guy.

One afternoon, the wife went out to meet a friend for coffee. She decided to send her husband a romantic text message, and she wrote:

"If you are sleeping, send me your dreams. If you are laughing, send me your smile. If you are eating, send me a bite. If you are drinking, send me a sip. If you are crying, send me your tears. I love you."

The husband texted back to her:

"I'm on the toilet.....Please advise."

John, a city slicker from Boston, bought a pumpkin patch. He thought that he could make more money from chickens than the previous owner made from pumpkins, so he went to a poultry farm and bought 50 chickens.

'50 is a lot of chickens for that little pumpkin patch,' commented the proprietor. 'I am used to big business' John replied.'

A week later John was back at the farm. 'I need another 50 chickens,' he said. 'Boy, you are serious about this chicken farming,' the poultry farmer told him.

'Oh yes,' John replied. 'It' will be Ok if I can just iron out a few problems.' 'Problems?', asked the farmer. 'Yeah,' replied the John, 'I think I planted that first batch too close together.'

Paula, and her husband, Chris, had just finished tucking their young ones into bed one evening when they heard crying coming from the children's room. Rushing in, they found Tommy crying hysterically.

He had accidentally swallowed a nickel and was sure he was going to die. No amount of talking could change his mind. Trying to calm him, Chris palmed a nickel that he happened to have in his pocket and pretended to remove it from Tommy's ear. Tommy, naturally, was delighted. In a flash, he snatched it from his father's hand, swallowed it and demanded cheerfully - 'Do it again, Dad!'

A wife asks her husband "Could you please go shopping for me and buy a carton of milk and if they have avocados, get 6.

A short time later the husband comes back with 6 cartons of milk. The wife asks him, "Why did you buy 6 cartons of milk?"

He replied, "They had avocados."
