

# The NAPA AutoCare AdvisR™ – Worry-Free Maintenance And Family Protection

*The NAPA AutoCare AdvisR makes it easier to know what's going on with any or all of your family's vehicles. The telematics device plugs in quickly to each vehicle so that you can monitor everything from driving habits and fuel consumption to needed repairs.*

*All via a simple Internet connection.*

## Get the Information You Need

This powerful little device gathers a wide range of information from a vehicle's computer about how well a vehicle is running and the way it is being driven. Then it:

- Alerts you (via phone and email) and our shop of:
  - “Check Engine” warning light or other vehicle service needs that need to be addressed
- Helps you protect your family with safe, reliable vehicles
- Alerts you of exceeded limits (set by you) for speed and fuel mileage
  - Live GPS tracking for emergencies
- Lets you view all vehicle information at any time via secure/password login to your personal website
  - And more!

## Save Money While Shaping Safer Driving Habits

The NAPA AutoCare AdvisR promotes safer, more fuel-conscious driving by keeping you informed about rapid acceleration, hard stops and speeds that can mean higher fuel costs. Improper tire inflation, long periods of idling, engine revving and other factors affect your vehicles fuel mileage as well.

## A Device That Pays For Itself

Aggressive driving and skipping maintenance can cost you money.

Here's some simple math:

**15,000 miles @ 25mpg = \$2,160 in fuel per year**

Using the NAPA AdvisR device can save you a bundle:

Possible Savings		
Aggressive Driving	5–33%	\$108–\$172
Speeding	7–14%	\$150–\$300
Maintenance	1–4%	\$21–\$86
<b>TOTALS</b>	<b>5–33%</b>	<b>\$279–\$558</b>

Statistics from [www.fueleconomy.gov](http://www.fueleconomy.gov).

## Have a Teen Driver?

The NAPA AutoCare AdvisR helps you monitor:

- Speed
- Hard braking or other aggressive driving
- Curfew times
- Boundary limits/location
- Needed maintenance or repairs

Family Safety

## Live Demos Available

Ask for a live demo and low monthly subscription options so you can see how the NAPA AutoCare AdvisR pays for itself in lower fuel and repair costs, and increased productivity.
