OCTOBER 2019

Autumn Fun

Autumn is a season for BIG decisions - like whether or not it's too late to start Spring cleaning.

I got tired of looking at all those leaves in my yard, so I got off the couch & sprang into action. I closed the curtains.

I'm gonna be a fiscal conservative for Halloween...First kid gets all my candy, then it'll trickle down to the rest of the neighborhood.

"Hold on, man! We don't go anywhere with 'scary,' 'spooky,' 'haunted,' or 'forbidden' in the title." - Shaggy, from Scooby-Doo

"There are 3 things I have learned never to discuss with people: religion, politics, and the Great Pumpkin." - Linus, from Charlie Brown

"On Halloween, parents sent their kids out looking like me." - Rodney Dangerfield

"For 2012 Halloween, the most popular mask is the Arnold Schwarzenegger mask. And the best part? With a mouth full of candy, you will sound just like him." - Conan O'Brien

How do you repair a broken Jack-o-lantern? Use a pumpkin patch!

Pumpkin spice has NO pumpkin in it! It is actually only the spice mix used for pumpkin pies. To make your own, mix these spices together:

- 3 TBSP cinnamon
- 2 tsp. ground ginger
- 2 tsp. ground nutmeg
- 1 1/2 tsp. ground allspice
- 1 tsp. ground cloves

I wanna work for them!

One of the employees in our department resigned. Instead of filling the position at \$30,000 per year, an alternative incentive plan was suggested. Each month, the most productive worker in the department could earn a \$1,000 bonus, if the department's monthly goals were met. The boss reviewed the manager's proposal and rejected it - including the \$18,000 annual savings. They said: "What if this worked? Everyone in the company would want to work for you."

*Why don't mummies take time off?
They're afraid to unwind*

My boss doesn't believe money equals happiness. So instead of raises, he gives us Prozac.

Don't stand around doing nothing. People will think you're the boss.

The Law of Coffee: As soon as you get a cup of hot coffee, your boss will assign you a task that lasts just long enough for your coffee to go cold.

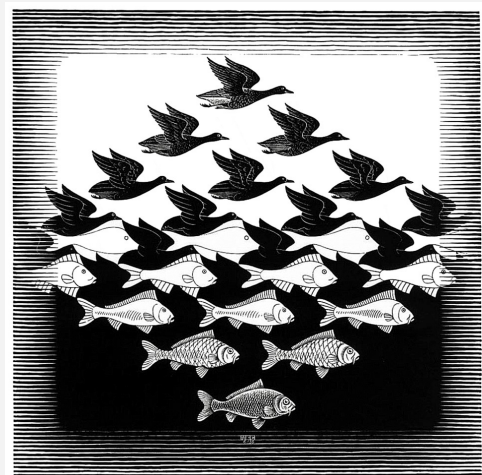

When you give birth to a great idea at work, your boss should give you 2 weeks of maternity leave.

Not Sure which Dictionary...

A boss discovered the motivational quote "Only in the dictionary does SUCCESS come before WORK." Thinking he could make it better, he ordered a large banner for the office work area with his "improved" version of the quote. The banner reads: "Only in the dictionary does SUCCESS come before HARD WORK."

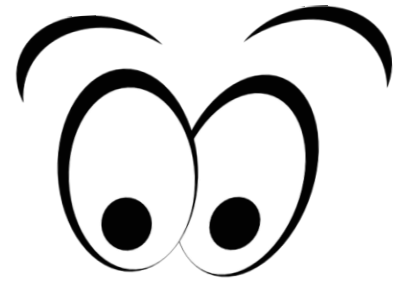

Autumnal Equinox - Sept. 22nd

On the first day of autumn, the sun is aligned with the center between the North and the South of the earth. On that day, the light and dark hours are exactly the same length. That's why it is called equinox derived from the Latin word 'aequus' which means equal.

A fingerprint has 40 unique characteristics, but the iris in your eye has 256! For this reason, retina scans are increasingly being used for security purposes.

A man from Poland recently arrived in the U.S., went to the DMV to apply for a driver's license, and was given an eye test.

He was shown a card with these letters on the bottom row:

C Z W X H O S T A C Z Y

"Can you read the bottom line?" the tester asked.

"Read it?" he replied - "I know the guy."

Could You Do Us A Favor?

Our business was built on the kind words many of our clients say about us to their friends and family. And since we're looking to grow a little more, we could use your help right about now. If you know of someone who needs help with their vehicle—someone who's looking for a place they can trust—won't you please tell them about us? We know you really appreciate the way we look out for your family by all the thanks we get. And sharing us with your closest friends and family is the most sincere form of appreciation we know. So do both your friends and us a favor by giving them one of our referral cards. You will benefit as well by knowing your loved ones are in good hands—not to mention our gift to you for your kind actions. **Thank You!**

Basic Creamy Cheese Sauce - So Many Uses!

2 TBSP butter

2 TBSP flour

1/4 tsp. salt

1/8 tsp. pepper

1/4 tsp. dry ground mustard

1 c. milk

4 oz. shredded cheddar cheese

4 oz. Velveeta cheese, cut into chunks

In a 2 quart saucepan, melt butter over low heat. Stir in flour, salt, pepper, and dry mustard. Cook over medium heat, stirring constantly, until mixture is smooth and bubbly.

Continue stirring constantly while slowly adding milk, then heat to boiling; boil and stir for 1 minute.

Remove from heat and stir in cheeses until all melted.

Use this yummy, thick cheese sauce stirred up with hot cooked macaroni for a creamy mac 'n cheese, OR poured over tortilla chips with salsa for a homemade nacho platter, OR spooned over baked potatoes, chili dogs, hamburgers, steamed veggies like broccoli or cauliflower, OR scrambled eggs.
